Chas. C. James Dies from Heart Trouble in East

Dominion Agricultural Commissioner Drops Dead in St. Catharine's Train

Toronto, June 24—In the prime of life, Charles Canff James, C.M.G., M.A., LL.D., F.R.S.C., better known to the people of Canada as C. C. James, Dominion agricultural commissioner, came to his end with tragic suddenness last evening in St. Catharines.

He had been for a week a guest at the Queen's Royal hotel, Niagara-on-the Lake. Early last evening he went alone into St. Catharines by the radial car line to receive medical treatment for a slight indisposition. Just before the car reached its destination in St. Catharines, a soldier noticed him in a position strangely motionless. As soon as the car could be stopped Dr. F. S. Greenwood, of St. Catharines, was hastily summoned. The doctor stated that death had come instantaneously as the result of heart failure.

"I am inexpressibly shocked to hear of Dr. James' death!" said Hon. Martin Burrell, minister of agriculture, to-night. "He was here only a week ago for the purpose of discussing with me some phases of our agricultural work and though he appeared to be a little tired there was nothing to lead one to suppose that he was in any sense ill, and the suddenness of his death is therefore doubly distressing.

"Agricultural workers throughout Canada are familiar with the great services rendered by Dr. James. His broad grasp of conditions and his untiring devotion to the work, made him an exceptionally valuable officer. I am voicing the general view when I express the opinion that the country can ill spare him at this time.

Eckville

A meeting of the committee appointed to see into the matter of Telephone connections, was held in Eckville last week. A public meeting will be called later, when there is the information required to report.

Ralph Matchett has joined the 187th, and is ordered to report by the last of this month.

Mr. Litt, who is with the C.M.C. is listed for overseas and is leaving for England shortly.

We are sorry to note the death of Leaman Patterson of the 12th C.M.R. His mother and family have the sympathy of many friends in this district.

Two very pleasant picnics were held on Midsummer Day, (24th), by the Finn residents of this district. One at the Young People's Hall, and one at the Socialist Hall, a few miles east of the village.

Mr. Fairweather, the Presbyterian Missionary, holds service in the Eckville Hall every Sunday at 11 o'clock. Everyone invited to attend.

DUKE COMING WEST

Ottawa, June 26.—His Royal Highness, the Duke of Connaught, accompanied by the Duchess of Connaught and Princess Patricia, leave to-day on a farewell visit to Western Canada, where he will inspect the Hughes and Vernon military camps and will spend a fortnight at Banff and a week at Victoria, B.C. His Royal Highness will be back in Ottawa on August 2.

ENTRIES AT THE FAIR

The following well-known breeders have entered their stock for the Red Deer Dair:—

HORSES

J. V. Bereht, Didsbury, Percherons
W. W. Hunter, Olds, High Steppers
P. H. Bredt, Imported Clydesdales.

CATTLE

Jas. Bowman, Guelph, with his Aberdeen Angus.
A. P. and J. Auld, Guelph, with Shorthorns.
J. D. McGregor, Brandon, with their famous Aberdeen Angus.
Jos. Laycock, Okotoks, Holsteins.
Roland Ness, DeWinton, Ayrshires.
Hambly & Sons, Munson, Alta. Holsteins.

The Women's Institute are going to have a booth on the Fair grounds, where they will serve tea, coffee, sandwiches, cake and pie during the big Fair, July 6, 7, and 8. The proceeds are in aid of the Patriotic Fund. The ladies guarantee the best lunch on the grounds. Look for the big sign.

10,000 Casualties Listed Since June 2; Total List Now Approximates 33,000

Canadian Losses Now Equal Whole of First Contingent

Ottawa, June 26.—Approximately 10,000 names have appeared in casualty lists issued by the militia department since the Germans made their first attacks on the Ypres salient on June 2. As approximately 23,000 casualties have previously been reported, this means that in number the casualties equal the first Canadian contingent which sailed from Quebec in the latter part of October, 1914. It is likely the lists will continue to be heavy for a few days yet, and that before all the names of those who suffered in the recent German offensive and the successful Canadian counter-attacks are in they will exceed 12,000. It is also expected that so long as the Canadians hold the Ypres salient under ordinary conditions of trench warfare, the casualties will run from 100 to 200 a day.

Italians Drive Austrians Back

Germans Getting Closer to Verdun

Germans Getting Closer to Verdun

Rome, June 24.—A general retreat of the Austrians in the Trentino district over a sector about 20 miles in extent is announced in an official statement issued by the Italian war office to-day. The statement says that the Italians are pressing the pursuit vigorously.

The text of the statement follows:

The enemy, incapable of overcoming our defence, and under the energetic pressure which we have been conducting for several days, has been forced to begin a retreat north of the Mandrielle road. We have captured the positions of Casrle Gamberto, Meletto, Mount Longara, Gallio, Asiago, Cesuno and Monte Ceingo. Our forces are closely at the heels of the enemy."

A NIGHT ATTACK

Paris, June 26.—A night attack by the French forces resulted in the taking of part of a German trench between Fumine and Chenois woods on the Verdun sector. A German attack west of Thiaumont was repulsed according to an official statement issued by the French war office to-day. A heavy artillery duel is in progress west of the Meuse.

Paris, June 26.—The Germans are now three-quarters of a mile from the French lines immediately in front of the fortress of Verdun, but no operation has as yet been undertaken elsewhere to relieve the pressure on the citadel.

The official communication issued by the French war office last night says: "No important event beyond the usual cannonade to record on the fest of the front."

This is taken to show that the French command, viewing the situation as a strategic whole looks on the tactical success of the Germans on the right bank of the Meuse as of but momentary significance. Exhausted by the murderous fighting of the last three days the enemy has been forced to pause for breath under cover of the rain of 10 and 12-inch shells with which he has pounded the French lines.

KEPT THEM BUSY

The Germans spent yesterday strengthening their new gains and elaborating plans for a further thrust with the object of working around Souville by the northwest from Fleury. The French artillery, however, gave their foe no rest. From Froideterre, Belleville, St. Mihiel and Souville, the French guns concentrated a terrific fire on the German lines and preparations were made to resist the impeding onslaught and counter attack at the right time. There were indications last night that the Germans were preparing to attack also on the left bank of the Meuse. They apparently aim to push forward their lines thereby corresponding with their advance on the right and so prevent the French from transferring reserves across the river.

Rev. L. E. Brough in his Memorial sermon on the recent loss of many Canadians, and the untimely death of Lord Kitchener, states that events like these bring the war very close to all loyal British hearts. He said that the sorrow of one, in the loss of loved ones, is the sorrow of all, and one of the ways that the young men of Canada can show their patriotic gratitude for the service of sacrifice in the death of many of our Canadian boys, is to enlist in the ranks of those who are being recruited for service overseas. Any young man who is physically fit and free from ties to hold him should come forward as volunteer to defend the cause of the Empire at this critical period in her history. The News does not consider this statement out of place from the pulpit, and heartily endorses every word.

The 187th Will Not Leave For Some Time

Owing to circumstances over which the regiment have no control, the 187th Battalion will not leave for Sarcee Camp this week. This is the latest information given out to the public. In fact they will remain here, in all probability some time and will be here during the fair. A fatigue party of about sixty men left Monday morning for Sarcee to prepare the grounds and camp for the men who were expected to follow soon. At latest report the Sarcee camp is a very muddy and disagreeable place to go to, but if the rain ceases, no doubt it will improve.

Recruiting is going on briskly still. Sergt. Sinclair has 48 men to his credit so far, and will soon have his platoon complete. Lieut. Barnett, of Innisfail, is approaching the hundred mark and other recruiting officers are meeting with fine success. Lieut. Poulter, who has charge of the recruiting office has hardly had time to breathe during the last month as men have lined the walls of his office most of the time, keeping him one of the busiest men in the regiment. Up to the present time over seven hundred recruits have signed on in all parts of the district, but a number are yet located at these points with the recruiting officers. Lieut. Dover who has the canteen under his wing has his work well in hand and most businesslike quarters to be found anywhere.

Lieut. Botterill, Lieut. Law, and probably several others of the officers will leave Friday to attend the military school at Calgary.

The following recruits have signed on at Red Deer since our last report:

Clark, M.
Forbes, H. B.
Gray, J. B.
Cummings, W. J.
Smith, W. R.
Mathpr, A.
Campbell, A. C.
Johnston, H. C.
Whiting, T.
Chandler, R. H.
Carlson, H. W.
Thompson, R.
McGillivary, K.
Kay, C. P.
Brookes, A. H.
Plumb, E.
Munro, J. eR.
Kerr, P.
Kent, M. G.
Reddon, R. A.
McIntosh, D. D.
Parcels, I.
McAllister, A.
Tierney, R.
Beaton, L.
Foley, H. B.
Thompson, J. J. R.
Saunder, J. A.
Brown, H. D.
Cruickshank, M. G.
Bowhay, B. A.
Ankers, T.
McGillivray, —.
Stacy, J. M.
McDonald, J. A.

Ross, L.

Organizing Reserve Militia Company

A meeting was held in the Armory on Thursday evening to discuss the formation of a Company of Reserve Militia. Col. Robinson was present, and heartily endorsed the movement, explaining the great need for such an organization. It was unanimously agreed that a Company should be organized in Red Deer, and J.E. Cuningham, W. E. Payne and W. J. Stephenson were appointed a committee to get all necessary information in order to complete the organization

A meeting has been called for Wednesday evening at 8 o'clock in the Armory, to complete the formation, and it is hoped every man in Red Deer able to be present, will be there. Col. Robinson has promised to be present and address the meeting.

HAS THE BIG DRIVE STARTED?

Every indication that super-offensive of Allies has begun all along the line.

Italians, with terrific smash against Austrian front, drive enemy back along big front; recaptured seven positions.

At the same hour British artillery broke loose with violent attack against the German trenches from LaBasse southward.

London, June 26.— Every surface indication to-day pointed to the being of the long-expected super-offensive of the allies.

GERMANY'S FLEET IS MUCH WEAKENED BY LAST FIGHT

Naval Expert of London Paper Reviews the Present Situation.

(By Archibald Hurd, Naval Expert of London Daily Telegraph)

London, June 24.—Three weeks have elapsed since the battle of Skagarak and it is possible, in the light of an immense mass of information, from British and neutral sources, to form what will prove a verdict of the historians on one of the most splendid incidents of our naval annals.

The German high seas fleet, weaker by five capital ships, is so lame that it cannot move, so blind that it could not move, if it dared to do so. That is a matter on which there can be no doubt.

When the war opened, Germany possessed the following ships of the cruiser class (built and building) less than fifteen years old, those lost in the course of the war being given:

Battle cruisers —Original number eight, since lost six, comprising the Lutzow, Goeben, Feydlitz (a complete wreck), Bleucher, Hindenburg and another of a similar type which it is believed is the Von Der Tann.

Large cruisers — Original number seven, since lost five, comprising the Yorek, Scharnorst, Gneisenau, Friedrich Karl and the Prince Adelbert. The two remaining vessels are the Roon (launched in 1903, therefore 13 years old,) and the Prince Henrich (1900).

Light cruisers — Original number thirty, since lost twenty, comprising the Karlsruhe, Magdeburg, Koln, Mainz, Emden, Dresden, Nurnburg, Koenigsburg, Leipzig, Beemen, Undine, Rostock, Wiesbaden, Breslau, Frauenlob, Elbing, Ariadne and three others the names of which have not yet been revealed.

Out of the forty-five effective cruisers of all classes which Germany had built and was building when the war opened, she, therefore, possesses today only fourteen, and of these a large proportion were so seriously injured in the battle off Skagarak to be at present ineffective. Those fourteen cruisers have to suffice for duty as scouts for battle squadrons, patrol ships for torpedo flotillas and for patrol work in the Baltic.

Farewell Lawn Social

There will be a Farewell Lawn Social in honor of the 187th Battalion on the beautiful grounds of E. Michener, Esq., on Thursday evening next, from 7 to 9.30 o'clock, under the auspices of the I.O.D.E.

There will be strawberries, ice cream, cake, tea and other refreshments on the grounds. There will be no entrance fee, but a modest charge will be made for refreshments. The programme for the evening will be rendered by members of the 187th Battalion and the military band of the regiment will be in attendance. We are requested to make a special invitation to people in the surrounding country to attend this garden party. In the event of it being wet, the entertainment will be carried out in the Armory.

We hope there will be a large number of citizens present to enjoy the good things provided by the Daughters of the Empire.

The proceeds will go towards the purchase of instruments for the 187th military band.

KENILWORTH LODGE INSTALLS OFFICERS

Rt. Wor. Bro. Botterill, Grand Senior Warden, assisted by Wor. Bro. Coote, installed the officers of Kenilworth Lodge No. 29 A.F. & A.M. on Friday evening last:

I.P.G.M.—Wor. Bro. Gibson.
Wor. M.—Bro. F. Turnbull.
S.W.—Bro. F. Fowler.
J.W.—Bro. J. M. Campbell
Secretary—Bro. J. Baile.
Treasurer.—Bro. R. L. Gaetz.
Chaplain—Bro. W. T. Coote.
S.D.—Bro. Dr. Haxton
J.D.—Bro. V. Day
S.S.—Bro. I. Hamley
J.S.—Bro. Broughton
I.G.—Bro. G. Duncan.
Tyler.—Bro. Burns.

Military Notes

Mr. and Mrs. Geo. Warren, of Lousana, Alta., are in receipt of the sad intelligence that their son, Douglas S. Warren, of the original C Squadron, 12th C.M.R. has succumbed to wounds received while battling against the Huns. He was first reported as suffering from gunshot wounds in the legs.

Pte. Warren was a cheery fellow and was employed before enlisting in G. W. Ball's meat market. He also belonged to the Red Deer Fire Department and is the second member of this organization to make the supreme sacrifice on the field of battle.

Another fatality among the ranks of C Squadron 12th C.M.R. is that of Pte. W. B. Black, an Innisfail boy, who succumbed to wounds received in the heavy Zillebeke fighting on June 3rd.

The Innisfail Province makes the following comment regarding the dead hero:

"Miss Jean Leslie, who was engaged to be married to the late Private W. B. Black, recently received a kindly letter from Lieut. Paton, of Pte. Black's company. The letter was written at Black's request the morning after he was wounded. It speaks of the seriousness of the wound, but expresses hope. Lieut. Paton speaks very highly of the young hero, saying he was "very courageous, a good worker, and a general favorite among his companions." Another letter, from a comrade, to Mrs. Leslie, says—"It will be some consolation to you all to know that he has given his life as a brave man in a just cause. There is but one opinion among those to whom I have spoken—that he was a soldier of unflinching courage." It is known that Pte. Black did not suffer very long, death relieving him shortly after Lieut. Paton's letter was written.

Mrs. McBride received a telegram Sunday morning stating that Charles McBride of C Squadron of the 12th Mounted Rifles had been wounded in the leg.

Though neither initials or next of kin is given it is feared that Pte. Murdoch posted in Saturday's Mounted Rifles casualties is Pte. W. H. Murdoch a Stettler boy who enlisted here with C Squadron, 12th C.M.R.

Arthur J. Jenkins listed as wounded on Friday enlisted here with C Squadron 12th C.M.R. His relatives reside at Lacombe.

Mrs. Hives, of Penhold, received word that Jack and Edmund Hives were both in the big battle of the 4th June, and came through it without a scratch. Willie Richards also writes he came through without injury.

Douglas Warren, who worked for six years off and on with Mr. G. W. Ball, cash meat market, RedDeer, was reported wounded in last week's lists. His father, Mr. George Warren, Lousana, on Wednesday received word that his son had succumbed to his wounds. Douglas enlisted with the 12th C.M.R. at Red Deer.

Mr. D. M. Wright has word that his son, Johnny Wright, well known as a member of the Red Deer fire brigade and a keen footballer, is at the Metropolitan hospital, London, England, suffering from a gunshot wound in the right eye. Johnny went over with the 31st, but had lately been attached to headquarters staff as a despatch runner.

Mr. W. J. Rapsey, manager of the Bank of Montreal at Red Deer, had nephew, Lt. Stanley Pringle, of the 52nd Battalion, ... seriously wounded in the Hooge fight ing that both feet had to be amputated. He was in No. 7 base hospital. He escaped in the fighting at St. Eloi, and only recently got back into the trenches.

Mr. Everett Martin of Redlands, Ita., father of Arthur Martin, who as thought to have been in the recent casualties, has advised local relatives that he has made enquiry at ttawa and has been assured that the Arthur H. Martin given as from dmonton is not his son. Private Martin's initials are Arthur E. and e has been in the Veterinary branch of the service.

Major Gaetz, writing to Mrs. Gaetz a few das ago said that Col. D.D. Young, officer commanding the district at Shorncliffe, presented to Sergt. W. E. Pearkes the medal given by the Canadian Humane Association for bravery. All the men of the Lord Strathcona Horse reserve regiment were paraded as he now belongs to that regiment and in a few brief remarks the presentation was made. It will be remembered that Sergt. Pearks, a member of the 12th Mounted Rifles, saved a companion from drowning at Sylvan Lake.

SLAVS CONTINUE THEIR SUCCESSES ON EAST FRONT

Occupy Kimpoling and Take 2,000 Prisoners, Report Declares

Petrograd, via London, June 26.—Russian cavalry after a battle with Austro-Hungarian troops has occupied a position near Pexoritt, about 5½ miles west of Kimpolung in Bukowina, it was announced in the Russian official statement, to-day.

Berlin, via London, June 26.—Heavy fighting continues in the district west of Sokul, on the eastern front, where the Russians are attempting to strike northwest to Kovel. The war office, to-day, reports German successes near Zalusze, in this district. Since June 16, it was announced, more than 11,000 Russian prisoners, two cannon and 54 machine guns have been taken.

Petrograd, June 25.—Official reports confirm the occupation of Kimpolung by the Russians and the capture of more than 2,000 prisoners. The Russians further north are pressing along the river Pruth toward Kolomea, and have occupied the villages of Klizkohat and Toulokiff.

BREAK FOE ATTACKS

London, June 26.—"Officers who have arrived at Kiev," says Reuter's Petrograd correspondent, "describe the breaking of all German attacks on the Russian front along the Stokhod river. Large reserves launched by the Germans were hurled back by the Russians, who now are on the offensive. German prisoners who were recently on the French front compare the Russian gunfire on the Stokhod as an inferno similar to that at Verdun.

"Further south in the Vladimir-Volynski and Sokal regions, combined enemy onslaughts are proving equally ineffective and costly. The enemy evidently shrinks at no sacrifice to retain his communications to Kovel and Lemberg.

CAPTURE WHOLE RAILWAY

An Kiev, which has been taken by the Russians, on the left bank of the Cheremosh river, a tributary of the Pruth, the Russians had to force the river in the face of gunfire from the hills behind. The Russians now are in possession of the entire Czerawitz-Kuty railroad.

"The Beresina river, on which fighting was reported yesterday, is a northern tributary of the Niemen. Bogdanoff is on the Lida-Golodieno railway, a dozen miles south of Kevo. In the region between Vilna and Molodechno the Germans lately have been extending their field operations north and south of Smorgon. They now are attacking the Molodechno salient, not only from the west, but from the southwest and west."

Appeal for Band Instruments

The 187th Battalion Band is playing at the present time on borrowed instruments kindly loaned by Innisfail, Didsbury and Red Deer. The Militia Department does not provide any revenue for band instruments, this must come out of the officers' revenue or by private subscription. So far Red Deer has not done much to help along this part of the battalion. Innisfail has donated bugles, and other places are donating band instruments, Carstairs has donated one and it is understood Coronation and Innisfail will donate one.

In Red Deer H. J. Snell; per A. B. Mitchell, manager, and W. T. Cooto have started the ball rolling by donating a silver cornet, and Mayor Carswell has promised a silver cornet. This makes a good start. But when it is understood that a full complement costs about one thousand dollars it is some expense.

What the News would like to see would be a big effort by the I.O.D.E. along this line. We feel sure they can do it if they tackle the proposition. Then a group of citizens may feel that they together can donate an instrument. Perhaps a business house or firm can do the same. It is necessary that action be taken at once whatever is done. We hope citizens will respond nobly and assist in getting a full complement of instruments before the battalion goes into camp in July. Send donations to the Secretary of Band Committee.

Since writing the above we learn that Lacombe, Hanna, Stettler, Mirror, Castor, Didsbury, Bashaw, Three Hills, Carstairs and Coronation have promised instruments, and Youngstown and Alix are being asked to contribute, and will probably do so.

This will leave five instruments and two drums to make up the full complement of the band, and it is hoped the Garden Party to-morrow night by the I.O.D.E. on E. Michener's grounds will more than make this up.

Get at Best's big sale and save the dealers profits. Everything goes at cost price.

MR. H. C. BREWSTER,
member for Victoria in the British Columbia Legislature, and leader of the Liberal Opposition. He recently issued a writ against the Premier, alleging that the Government was illegally continuing in office.

RUSSIANS NOW HAVE TAKEN ALL BUKOWINA

Austrians Lose Heavily in Men and War Stores

London, June 25. — The Russians have conquered the whole of the Austrian crown land of Bukowina, and the Austro-Hungarians are making their way toward the Carpathian passes. Kimpolung, in the southern part of Bukowina, has been occupied by the Russians, and the Austrians have fallen back between that town and Jokobeny, and to the northwest have evacuated the heights south of Betrometti and Uiznic.

Along the River Pruth, in their drive toward Kolomea, the Russians have captured Wilischoff and Toulouoff. The Austrians lost heavily in men made prisoners and in war stores left behind in the retreat.

In Volhynia, Petrograd records the capture of a redoubt near Czartorysk, the repulse of attacks southwest of Lutsk, and an advance north of Radziviloff, while Berlin reports the putting down of the Russian attacks to the east of Vadimir-Volynski, and west of Dubno. Heavy fighting continues throughout this entire region.

The French, during attacks Saturday night, recaptured from the Germans trenches west of the Thiaumont redoubt, northeast of Verdun, and also made some progress in the village of Fleury, according to the war office communication. Sunday saw no infantry activity in the Verdun region, but bombardment on both sides of the Meuse continued without interruption. There was also pronounced artillery activity between the British portions of the French-Belgian line.

Masonic Service

The annual religious service of the Red Deer Masonic Lodges was held in the Masonic Hall on Sunday afternoon by Major Rev. Bro. G. W. Kerby, of Calgary, There was a good turnout of the brethren; the singing was led by Bro. J. E. Walton: W. Bro. H. H. Gaetz presided. Rev. Dr. Kerby's subject was The Masonic Quest: Truth. Dr. Kerby's idea was that truth was to be sought more by action than by study. The sermon was given in the Dr.'s bright and brotherly style, and was much appreciated by the brethren.

Calgary Co-Operative Markets

June 24, 1916

Cattle. The market on both dry and grassy fat cattle received a great knockout this week. On Tuesday we sold a car of steers at $7.85, and on Thursday the 8 McIntrye carloads of cows sold here at 7c. Very top for choice steers Thursday was 7c. No steers changed hands yesterday. We sold some top cows for $5.75 and at $5.50 to $5.60. Heavy supplies and restricted outlet, due to lower markets elsewhere, caused the drop. Also the price of dressed beef has been reduced by the packers. Stock cattle are unsteady, due to the fall of the price of beef.

Hogs. The price of hogs advanced to $10.15 Thursday and $10.30 Friday, due to heavy Eastern demand. This week we handled 16 p.c. of the hogs and 6 p.c. of the cattle consignments to the Alberta Stockyards.

Steers, ex. choice heavy	—7.00
Steers, common to choice	
butcher	6.00— 6.75
Heifers, common to choice	
heavy butcher	6.00— 6.25
Cows, choice	5.50— 5.75
Cows, common	4.25— 5.00
Cows, canner	2.50— 3.00
Stags	4.75— 5.25
Veal calves 200—300 lbs	8.25— 9.00
Veal calves, 400 lbs	— 7.75
Light feeding steers	6.00— 6.25
Light feeding heifers	6.00— 6.50
Springers, choice	$75—$85
Springers, common	$55..$65

Hogs, select weighed off cars $10.30,

GREECE BACKS DOWN

All Demands of the Allies Are Acceded to Unconditionally

Athens, June 21, via London, June 22.—Under heavy pressure from the Entente Powers, Greece has accepted without reserve the demands presented to-day by a joint note by Great Britain, France and Russia. At the most critical moment Greece was without a government. Premier Skouloudis, late to-day announced to the chamber of deputies the resignation of himself and his associates in the cabinet and the failure for the present to obtain successors to them. Before it became known that Greece had decided to yield, it was said in government circles that it would be an impossibility to accede to the demands. Agemmanon Schillman, former Greek minister at Washington, and now a member of the chamber of deputies, on being asked what the government intended to do, replied: "How can we voluntarily renounce the sovereignty of our country?"

KING HURRIES BACK

King Constantine returned hastily to Athens. All the troops in the city were ordered under arms. The deputies were summoned to the chamber, where Premier Skouloudis announced that he had resigned. The chamber adjourned immediately cheering the retiring ministers as they left the building. The people of Athens remained calm and talk of non-compliance with the demands of the Allies apparently awakened no widespread spirit of resistance. The demands presented by the Entente Powers to Greece, according to the newspaper Nea Hemera were:

"No. 1—Complete general demobilization.

"No. 2—Removal of the chief of police of Athens.

"No. 3—Popular pro-Entente sentiment not to be suppressed.

No. 4—Deportation of agents spreading German propaganda. The foregoing version of the nature of the Entente demands are said in diplomatic circles to be substantially accurate.

The fleet made up of squadrons of the Allied nations will be commanded by Vice-Admiral Moreau.

The dispatch says the action of the landing party "will depend upon events."

Piraeus, the second largest city of Greece, is five miles southwest of Athens, It is 200 miles below Salonika, the base of the Allied forces in Greece.

LONDON HEARS IT

London, June 22.—The acceptance by Greece of all the demands of the Entente Powers is reported by Reuter's Athens correspondent. He cables that M. Zaimis, to whom the formation of a new cabinet is said to have been entrusted, went to the French legation during a conference there of the Entente ministers last night and announced in the name of King Constantine that Greece had yielded fully.

CRUISE IN HARBOR

Paris, June 22.—An Allied fleet has been ordered to cruise before Piraeus, the port of Athens, according to a Havas dispatch from Salonika. It is said the fleet eventually will be supported by a landing party.

Methodist Women's Missionary Society Hold Convention

Methodist Women's Missionary Societies Open Convention in Lethbridge.

The Seventh Annual Meeting of the Alberta branch of the Women's Missionary Society of the Methodist church opened on June 7th, in Wesley church, Lethbridge.

Mrs. Chown, in her presidential address, said that it was with glad and thankful hearts for the way that they had been led during the year that they assembled in that gathering. Some people seemed to think that during this great conflict in Europe the work of missionary societies should not go on but, she was of the opinion that missionary workers took on responsibilities before the war broke out and therefore they could not neglect these duties, but the call at the present time is one of more sacrifice. In spite of this being the 20th century, there were still people who had not yet heard the word of Christ, and the church was never more needed than at the present time. The war was not turning men away from God and the church, but rather was bringing them into closer relationship with the things that really mattered in the world. Not only in the trenches was this seen but also in the shadowed homes of many lands, hearts were turning to the church for help. Woman's place in the work of evangelism was in no way unimportant, but rather, she thought, now was the time that women should take a more active part in the work. The speaker then went on to give suggestions as to how to increase the interest in the work of the branch, the various needs of the society and concluded with an earnest appeal for consecrated personal work by all the members.

The report of the mission circle, which was given by Mrs. J. J. Roberts, sounded a very optimistic note, increases practically being reported all along the line. Emphasis was laid upon the increase in the finances and she stated that this year was the best yet.

At this juncture Miss Asson and Miss Yarwood, two returned mission aries, were introduced to the gathering and given a very hearty welcome

The report of the branch corresponding secretary was given by Mrs. Ash, who in a very bright way touched upon the work which had been done during the past twelve months. Particular mention was made of work done among soldiers' wives and in the prohibition campaign. Various towns were mentioned as deserving thanks for the increases dealt with in the report. At the end of the year there were in association with the branch 3,164 members, an increase of 280.

The Treasurer's report given by Mrs. G. A. McKee showed that the income of the year, including balance brought from last year, was $6620.23 and the expenditure $6532.44, leaving a balance on hand of $396.79. It is interesting to note that there is an increase of $552.70 over 1914—15.

A sacramental service conducted by Rev. G. H. Cobbledick concluded the afternoon proceedings.

The evening gathering was presided over by Mr. Cobbledick, who expressed his personal welcome to the convention to the city of Lethbridge The speaker was convinced that the ladies missionary society is the most spiritual thing in the church.

A trip through China might well be the name applied to the address given by Miss Asson. A brief visit to each of the ten stations which the Methodist church has in China was paid in turn and the various characteristics were pointed out. The work of the hospitals was explained very fully, and a day's work described. During the time of healing the body the spiritual side of the work was not neglected and good results were obtained.

Mrs. Ash was the next speaker, and she had for her subject "Japan" In is twenty three years ago since the first station was opened in that country and now there are 133 towns and stations where the work is carried on. In the various schools there are 1440 pupils who are not only taught secular subjects but are also given a good spiritual education The Sunday school work is also making good progress, there being over 6,000 children in attendance. The main feature in both addresses, which were listened to with great attention, was the lack of workers to carry on the work which needed doing. "A trip to our home fields," illustrated by lantern slides, was given by Mrs. W. J. Magrath. The subject was good and the pictures brought home more vividly than words the great work which is being done throughout the land. Pictures of institutes and schools from one side of the Dominion to the other were shown and brief reports given of the various activities carried on.

During the evening selections and solos were rendered by the Wesley Methodist church choir.

In the early evening a banquet was held, presided over by Mrs. Daniel, president of the Wesley church auxiliary. Mrs. Skeith extended a very cordial welcome to the delegates and that their meetings would be productive of very much good. Mrs. Graves of Red Deer, expressed thanks for the delegates for the hearty welcome extended to them.

Greetings were brought from the nglician W. M. Convention, then in session in the city, by Mrs. Geddes; om the local Anglican auxiliary by Mrs. Bentley; from the First Baptist church by Mrs. Snyder, and Knox Church was represented by Mrs Denoon, and the W.C.T.U. by Mrs. Kaake. The result of the banquet was that all the delegates felt more than ever at home, and it had a ood deal to do with the success of the gatherings.

Thursday morning, after brief devotional exercises by the delegates from Red Deer and Olds Auxiliaries, the President, Mrs. Chown, took charge of the business meeting. There were present over 80 delegates and friends. The roll call and minutes were then read by Mrs. Lytle. A report Christian Stewardship, prepared by Mrs. Buchanan, Edmonton, was given by Mrs. Lewis. The report showed that only ten of the auxiliaries had reported that they had appointed tithing secretaries. By earnest work, however, the writer thought that much more could be done. No one who had not tried the system could have any idea of the increased spiritual and temporal progress which would follow such a course.

The Organizer's report showed new Auxiliaries and Bands organized Report of Circles and Bands showed increase of interest along these lines.

Miss J. Robinson, for Department of Neglected Children, gave a stirring address, showing the necessity of woman's work along this line.

The officers for the ensuing year are:

President—Mrs. W. W. Chown, Edmonton.

1st Vice-Pres.—Mrs. Barner, Calgary.

2nd Vice.P. — Mrs. Daniel, Lethbridge.

3rd Vice-P.—Mrs. Magrath, Edmonton.

4th Vice.-P.—Mrs. Graves, Red Deer

Rec. Sec.—Mrs. A. Lytle, Innisfail

Cor. Sec. — Mrs. W. J. Ash, Edmonton.

M. B. & Circle Cor. Sec.—Mrs. J. J. Roberts, Calgary.

Treas. — Mrs. G. A. McKee, Edmonton.

The delegates from Red Deer were Mrs. Dr. Wilson and Miss R. Graves.

Unveiling Honor Roll of L.O.L. 1625

A very pleasant evening was spent at the Orange Hall on Friday of last week when the Honor Roll of members was unveiled by Bro. Lieut.-Col. Robinson, in command of the 187th. The names on the roll are as follows:

Bro. Lieut.-Col. Robinson.
Bro. Dr. Hy. George.
Bro. Dr. Gray.
Bro. H. G. Payne.
Bro. Jos. Payne.
Bro. M. Logan.
Bro. Wm. Gillis
Bro. G. Roberts.
Bro. Chas. McInroy.
Bro. Jack Tooley.
Bro. J. Adamson
Bro. F. Robinson
Bro. J. Piper
Bro. F. H. England
Bro. A. A. Cook
Bro. W. C. Wilson
Bro. S. Quigley
Bro. A. T. England
Bro. J. Shannon
Bro. Lieut. F. L. Brown

After the unveiling supper was served by the ladies and suitable addresses given by Lieut. Col. Robinson, Capt. Naismyth, Wm. Piper, R. R. Hill, and others. Some fifteen or twenty brother Orangemen serving under Lieut. Col. Robinson came along to enjoy the evening with the brethren. Altogether a very pleasant time was spent and those who have to remain home pledged themselves in that beautiful song to "Keep the Home Fires Burning, till the Boys Come Home."

Ridgewood

Arrangements are under way for the holding of the Old Timers' Picnic n the school grounds on Friday, June 30. Everything points to a big elebration providing the weather is air, as the committee in charge are reparing a lengthy and varied proramme, consisting of the leading athleti events: Tug-of-war, horseracing, etc., and a baseball match is scheduled to be played between enhold and Burnt Lake in the afternoon. Do not fail to be in attendance. You are cordially invited to ake part in our annual holiday. We must not fail to announce that a ance will be held in the evening to hich no further reference is necesary as Ridgewood's dances are ever growing in popularity.

Mrs. John Reilly of Leslieville, is pending a few days visiting her aughter, Mrs. Angus Martin, jr., ed other friends in the district.

Miss Marjorie Martin is in the Red eer hospital, having undergone an peration for appendicitis.

Road making gangs are busy at work this week, We presume the Meridian line w ll be given special attention as several places are almost impassable and this is our principal thoroughfare.

A meeting of the local branch of the Red Cross was held at Mrs. Mayerry's on Wednesday afternoon and as well attended. The ladies here have been making several shipments of Red Cross supplies together with $50, raised from Miss Rumsey's concert sometime ago.

We offer our compliments to the Burnt Lake people on the success of their theatrical performance and ance on Friday evening last. The um of about sixty dollars was raised to assist the Patriotic Fund.

Arabs Are In Revolt In Arabia

London, June 22.— Reports have been received here that a serious uprising against the Turks is in progress in Arabia and that the rebels have captured the Holy City of Mecca.

A Reuter dispatch from Cairo says the rebels, in addition to taking Mecca, have captured Jiddah, the chief seaport of Arabia, and Taif, 65 miles southeast of Mecca and have proclaimed the independence of the Arabs from Ottoman rule.

It is said the garrisons of Mecca, Jiddah and Taif, surrendered with the exception of two small forts at Taif, which are still resisting. At Jiddah 45 officers and 1,400 men and six guns were captured. Medina, 248 miles northwest of Mecca, which contains the tomb of Mohammed, is closely besieged and all communications to Hejas are in the hands of the grand sheriff.

Synopsis of Canadian North-west Land Regulations.

The sole head of a family, or any male over 18 years old, may homestead a quarter section of available Dominion land in Manitoba, Saskatchewan or Alberta. Applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the District. Entry by proxy may be made at any Dominion Lands Agency (but not Sub-Agency), on certain conditions.

Duties—Six months residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres, on certain conditions. A habitable house is required except where residence is performed in the vicinity.

In certain districts a homesteader in good standing may pre-empt a quarter-section along-side his homestead, Price $3.00 per acre.

Duties—Six months residence in each of three years after earning homestead patent; also 50 acres extra cultivation. Pre-emption patent may be obtained as soon as homestead patent, on certain conditions.

A settler who has exhausted his homestead right may take a purchased homestead in certain districts Price $3.00 per acre. Duties—Must reside six months in each of three years, cultivate 50 acres and erect a house worth $300.

The area of cultivation is subject to reduction in case of rough, scrubby or stony land. Live stock may be substituted for cultivation under certain conditions.

W. W. CORY, C.M.G.,
Deputy of the Minister of the Interior.

THE W. E. LORD COMPANY, LIMITED

Items of Interest

An official statement says that Commander Shimomura of the Japanese navy, perished in the sinking of the battle cruiser Queen Mary.

Chief "Cappy" Smart, the popular head of the Calgary fire department, has been appointed transport officer of the new 191st battalion.

To help make up for the losses suffered by the British naval forces in the recent North Sea battle, Newfoundland will recruit 1,000 seamen as the colony's share.

A Danish invention, recently announced, consists of the preparation of birch whereby it can be used to replace mahogany, teak and nut-tree, possessing also the lasting qualities of these expensive woods.

The first step to provide farm homes for returned war veterans has been taken by the C.P.R. in the Lethbridge district, and engineers are at work laying out a colony of twenty ready-made farms, upon which war veterans will be placed under certain conditions.

A Portland, Me., paper says "The consumption of beer is sixty million gallons less than last year, and that of whisky ten million gallons more. Statistics do not show the amount of Prohibition split consumed, as that is neither fish, flesh nor fowl, metaphorically speaking."

At a meeting of the provincial executive council held at Edmonton recently, Mrs. Arthur Murphy was appointed police magistrate for the city, having jurisdiction of all cases in which women and girls are principals. This is said to be the first appointment of its kind in the Dominion. Mrs. Murphy is one of the foremost women of Alberta. She is a talented authoress, writing under the name of Janey Canuck, and has been prominent in all progressive movements.

We are informed by the local Manager of The Canadian Bank of Commerce that latest advices respecting the officers of the Bank that have taken up military duty are as follows:

Over 1100 men, representing over 55 per cent. of the male staff between the ages of eighteen and forty-five; 48 per cent. of the entire male staff; and 38 per cent. of the entire staff.

As Mr. Whitehouse points out it is probable that all the other chartered banks could show figures in much the same proportions.

We think the figures are interesting as giving a fair indication of the sacrifices the large corporations and their officers are making in the great cause.

For any large business to have to replace approximately half its trained men must be no small problem. In the case of the banks hundreds of the younger men, who have taken up military service, were brought out to Canada from Great Britain at very considerable expense.

Northern Alberta Homestead Map

The new addition of the Northern Alberta Homestead Map, which has just been published by the Railway Lands Branch of the Department of the Interior, shows that the homesteader is seeking the north. From the publication we find that settlers are grouping around McMurray, Fort Vermilion, Fort St. John, Hudson's Hope and further south at Round Lake, Sawridge and Mirror Landing. The older settlements have increased considerably and patches of color can be observed, indicative of extensive settlement at Peace River Crossing, Dunvegan, Spirit River, Grande Prairie, Grouard, Lac La Biche, etc. The Peace River block also contains good land which settlers are occupying as soon as surveyed.

Railway facilities have greatly improved since the last issue of the publication. Spirit River settlement and Grande Prairie, both to the northwest of Edmonton, are now accessible by rail, while in a north easterly direction the track is laid as far as Christina Lake. Last year the Athabaska, the Peace River and the Fort McMurray steamers were all operating regularly, the two former from Hudson's Hope to Fort Vermilion, the latter from Lac La Biche to the Vermilion chutes to Fort Smith where it connected with the steamship Mackenzie River which goes as far as Fort McPherson. Five small boats operated very successfully on Smoky River taking passengers on incoming trains from the Settlement to Peace River Crossing.

It is interesting to read from the map what surveyors and explorers say of the unsubdivided portions of the Province. Now that there are better transportation facilities, investigations into the bituminous and deposits of the Athabaska River will be of great interest. Bituminous coal appears throughout these north lands. Wheat and vegetables have been grown successfully at many remote points. There are districts which have been reported as valuable for grazing purposes, and others for their timber. It is of course a well-known fact that the north country abounds in game and fish and that the fur trade will for a long time to come prove a valuable asset to the Province. The country is traversed by numerous rivers which in time should become important commercial thoroughfares and do much to help colonization.

An additional map of the southern half of the Province will be issued shortly. Copies of the northern sheet may now be procured without charge upon application to the Superintendent of the Railway Lands Branch, Department of the Interior, Ottawa.

"The Dance of the Dead Spirits"

Away in the North there's a beautiful sight,
The heaven's ablaze with a wonderful light,
Tis the dance of the spirits departed on high
Holding their revels aloft in the sky.
The Indian beholds them with wonder and dread,
As the light of their presence around him is shed.
Advancing, receding, their columns sweep by,
With banners of flame flung wide o'er the sky.

Away in the North through the long arctic night,
The Trappers rejoice in their wild eerie light,
Making the midnight as bright as the day,
Cheering the traveller and lighting his way.
Trembling, quivering like mortals in pain,
They herald the storms o'er that desolate plain.
When the poor homeless wanderer finds his last bed,
They burn like tapers set around the dead.

When the Winter descends with its dread dreary night,
They wander abroad like Angels of light,
Hovering in pity o'er life's darkest hours,
When sorrow has hidden the sunshine and flowers.
Whispering softly they come and they go,
Over the desolate glistening snow.
Mystical spirits of heavenly birth,
Tenderly guiding the children of earth.

S. P. L.

Sir Claude Wanted

News is urgently desired of the whereabouts of Sir Claud James Rivett-Carnac, Bart. He might be going under the name of Jack Rivett Was last heard of from Bassano, Altaf, six years ago, previous to which he was in San Francisco.

In all probability he has enlisted in some Cavalry regiment as he served in the South African war as a galloper to Colonel Lucan.

His description is as follows:—Age 38, height 5 ft. 7 in., brown hair, lue eyes, very fair complexion, prominent Wellington nose.

Information of great interest and a large sum of money awaits him. Will anyone knowing his present whereabouts kindly notify Staff-Captain Sims, 259 Fountain Street, Winnipeg, who will pass on the information.

Later. News has since been received that Sir Claude was killed at the front.

PANDERING TO ALIEN-BORN

Because Germans and Austrians at Blaine Lake, Saskatchewan, do not like Canadian patriotic songs, the provincial authorities ordered the teacher to cut out these loyal airs. The teacher did better than that. He joined an Overseas Battalion.

Discussing this incident, the Vancouver Province remarks:—

"Much excitement was recently created at Blaine Lake, Saskatchewan, and vicinity, owing to the hostile attitude of German and Austrian residents, who have apparently been able to exert sufficient pressure upon the educational authorities of the province to prevent a school principal from teaching his students to sing a patriotic song lauding the British Empire. In an official letter from the Saskatchewan government the teacher, an Englishman, was threatened with the cancellation of his certificate if he did not comply with the order obtained by the German and Austrian aliens, and cause his pupils to desist from the singing of the song. He did not resist, but he is no longer the principal of Blaine Lake school. However, his German prosecutors could not prevent this same courageous teacher donning khaki. He is now Lieut. E. R. Johnstone, 188th Battalion, C.E. F. The Courier, a German weekly at Regina, took the subject up, and denounced Johnstone and all others for daring to sing in the schools anything that would 'hurt the feelings of Germans and Austrians,' etc.

Who is this Regina editor? Is he a Prussian?

ROSALIND OF OLD BASING'S LATEST TESTS

Rosalind of Old Basing, the champion Jersey butter cow in her time of the British Empire, any age or breed, raised and owned by Lieut. C. A. Julian-Sharman, finished in April last another year's test of 12,954 lbs milk, and 890 lbs butter. She is 13 years old, freshened again and is now giving 3 lbs of butter a day.

This will probably be the last official test of this far famed cow, as Mr. Sharman has enlisted for overseas service in the 187th, has disposed of most of his fine herd of Jerseys, and the farm will be placed in the hands of a careful overseer, and Mrs. Sharman and son will go to the Old Country in the fall.

Quite a sacrifice you will say. So we thought. But when we spoke of it he only smiled. "Who am I?" he said, "What is a herd of Jerseys? What is anything, if we lose in this struggle?" and he smiled again.

It is that smile that is going to win this war.

INNOVATION IN RAILWAY EQUIPMENT

A departure from the practice of all Transcontinental Lines has been made by the Grand Trunk Pacific Railway by their placing in service on transcontinental trains between Winnipeg and Prince Rupert, a new type of equipment which will be known as Parlor-Observation Cars.

The whole interior of these cars will be devoted to the comfort and convenience of passengers for lounging and sight-seeing purposes, no portion being used for sleeping accommodation. Smoking is permitted throughout the car with the exception of a special parlor section assigned particularly to the ladies.

The rear, or observation end of these cars is so constructed as to give every facility for passengers to see to the best possible advantage the attractions of the Grand Trunk Pacific route through Nature's Scenic Wonderland. The observation cars, providing added advantages in the way of available space for those passengers desiring to travel "outdoors." Added improvements that eliminate the discomfort of cinders, dust, etc., are provided.

Electrically operated exhaust fans, as in all other Grand Trunk Pacific standard sleeping car equipment, in addition to the usual facilities for ventilation, are furnished, guaranteeing an abundant supply of fresh air and the elimination of smoke — an added feature of these cars.

Porters in charge serve light refreshments if desired.

These cars are operated for the exclusive use and convenience of passengers holding standard sleeping car tickets. No extra charge is made for this exceptional service.

SERBIAN RELIEF

So many demands have been made on public generosity as a result of the war that there might be hesitancy in presenting another if the needs were not so great. The Canadian public have met all demands nobly, but it is still safe to say that those who are staying at home in peace are contributing very much less than those who have gone to fight for the cause of human liberty. Compared with some of the unfortunate countries of Europe, Canada scarcely knows she is at war.

One of the most unfortunate of the little nations, in whose cause our Empire has taken up this great fight, is Serbia. It was the spirit of the Serbian people, which refused to abase itself before Austria and Germany, that was used as a pretext by those nations for this war, and Serbia has suffered for her liberty perhaps even more than Belgium, although the distress of the Serbian people has not been so prominently before the Canadian public.

The recent visit of Mrs. Pankhurst to Calgary resulted in the organization of a branch of the Canadian Serbian Relief Society with Mr. J. S. Dennis, Assistant to the President of the Canadian Pacific Railway, as president and Rev. Cox Clarke of Calgary, secretary-treasurer. A committee of prominent men and women complete the organization, and an appeal is now made for funds to assist the families of our destitute allies in Serbia. Contributions may be made in goods but cash is preferred as it can be forwarded more quickly and gives more immediate relief.

The need is very great and it is felt that this appeal will not fall unheeded by the people of Alberta. Already some substantial contributions have been received, and others, sent either to Mr. Dennis or to Rev. Cox Clarke, 509 18th, Ave., West, Calgary, will be promptly acknowledged and at once placed in the way of assisting a noble people who are reduced to destitution by the ravages of war.

SIR SAM IS VINDICATED

(Calgary News-Telegram)

Before the Meredith-Duff investigation was held, and while it was in progress, the detractors of Sir Sam were free and blatant with their allegations that the Minister of Militia and Defence was a beneficiary by the commissions which Colonel John Wesley Allison was securing. It was boldly charged that Sir Sam had a guilty knowledge that there were undue rake-offs.

But note what transpired at the inquiry as pithily revealed by statements by the Liberals' counsel and by Mr. Justice Duff.

"There is no evidence to show that General Hughes brought pressure of any kind against the shell committee."—Sir William Meredith

"I have no desire to impute any personal dishonesty either to General Bertram or Colonel Carnegie" —F. S. Markey, associate counsel with Mr. Carvell for Mr. Kyte.

"I admit that in his speech in parliament Mr. Kyte misconstrued the facts of the agreement." (the agreement entered into between the shell commitee and the American ammunition).—Mr. F. B. Carvell.

"I think I ought to say that with regard to corruption or personal dishonesty, it is not proven."—Mr. Justice Duff.

"I have already stated, and I repeat, that charges of dishonesty against General Hughes have been absolutely disproven."—Mr. Justice Duff.

"General Bertram (chairman of the shell committee), is a good Canadian." — Mr. F. B. Carvell.

"There is nothing against General Hughes personally."—Mr. E. F. B. Johnston.

Sir Sam is perhaps injudicious in that he says what he thinks. Perchance he is too honest in his statements to suit his detractors. But The News-Telegram believes that he is the strongest man in Canada for the onerous work over which he has charge. It is easy to criticize him but it would be difficult to fill his place. The whole world knows where he stands which is much more than can be said of many of his calumniators.

Canada's war efficiency would be sadly reduced were Sir Sam Hughes removed at the behest of those who want to make him a political sacrifice.

BUY YOUR COAL NOW

Readers will remember the great difficulty they had to secure coal last winter and the famine that existed in many localities. A recurrence of this trouble may be avoided by laying in a supply of coal now, when there are plenty of cars and better terms can be arranged with dealers and coal companies.

An Austrian Army is Surrounded By The Russians

London, June 22.—The official announcement by the Russian war office of the capture of Radautz, a town of 13,000 inhabitants, 30 miles south of Czernowitz, and 10 miles from the Rumanian frontier, shows how actively Genl Letchitzky is pursuing the broken Austrian forces. According to a special dispatch from Petrograd, nothing but a miracle can avert the destruction of General Pflanzer's army, as General Letchitzky now holds a stretch of 20 miles on the Sereth river.

According to a report from Rome an Austrian army under General Baltin is shut up in the angle of the frontier near the town of Sereth, completely surrounded by Russians.

Pacific Coast Fire Chief Association, re convention.

O'Dell & Russell asking information re license.

COMMISSIONERS' REPORT

As Health Inspector Anquetil, who acted as Market Superintendent, has enlisted in the 187th Battalion, we would ask your instructions as to continuing the market after July 1. As we do not expect that the Board of Health will appoint anyone at present to act as Health Inspector only, now that the spring work is over, it will be difficult to find anyone to act as superintendent of the market for only a few hours one day per week. We pay $10 rent per month for the room, and the receipts from fees lately have been averaging about $4 per month. In the winter receipts are about $12 per month.

From the reports of Mr. Anquetil we find that at present very few farmers are bringing produce to the market, while there are plenty of consumers. In the fall and winter a great deal of produce is sold there and the market is well patronized by both producers and consumers.

We would much regret the closing of the market entirely, and would respectfully suggest that a committee of the Council be appointed to investigate the conditions and report.

We recommend that we be authorized to have a catch basin installed at the corner of First Avenue East and Second Street South, on the northwest corner. This will provide drainage for the water that always lies there in the spring.

We are having the foundation of the drinking fountain in front of the Land Office repaired, as one side was badly sunk.

We recommend that the Forest City Paving Co., be notified to commence work at once repairing the defective walks laid by them, and that Engineer Dawe supervise the work. If they fail to commence work after being notified, we recommend that the City proceed to make the necessary repairs according to the provision in the agreement to that effect.

Rev. Mr. Keith interviewed us requesting that the Council rebate the 1915 taxes on the property of the Alberta Ladies' College. The strip of land required to make the road on the south side of the College property full 66 feet in width, has been dedicated as a road as requested by the Council in 1913.

Regarding the police force on which we were requested to report we may say that the Council might consider the question of dispensing with a night policeman, for the summer months at least, as there is not the same likelihood of fires breaking out in summer as in winter and after July 1st the bars will be closed and the Police work will no doubt be lighter. If this is decided on by the Council we recommend that Constable Robertson be put on day duty temporarily. If it is decided to retain the night constable we would recommend that applications for the position of temporary chief be advertised for.

We submit herewith by-law changing the names of streets and avenues

J. A. CARSWELL,
A. T. STEPHENSON,
Commissioners

ACCOUNTS

Payment of the following accounts were ordered paid: —

Postmaster, $25; Imperial Bank, $1767.44; L. J. Carswell $108.68; W. A. McFarland, $15.75; E. Marniere $17.87; Imperial Bank, $481.44; Bank of Montreal $393.79; Imperial Bank, $5.37; Bank of Montreal, $1725.16; Merchants Bank $722.16; Imperial Bank, $2407.20; Merchants Bank, $722.16; Imperial Bank $2407.20; Imperial Bank, $534.22; Helen B. Philip, $8.66; News Publishing Co. $41.00; Wage Sheet, $153.90.

Ald. Collison, Galbraith and Smith were appointed a committee to investigate and report on the several features of clause one of the Commissioner's report.

Moved by Ald. Smith and Galbraith that the Commissioners be authorized to advertise for a policeman. Carried.

Tenders were received for fire hose from Dunlop Tire and Rubber Goods Company, Limited, the Gutta-Percha and Rubber Limited, and the Canadian Consolidated Rubber Co. Limited The first company for Imperial, the next for Multiple, and the third company for Squelcher all tested to 405 lbs pressure and guaranteed for three years, at $1.00 per foot. The third named Company also quoted Keystone at $1.00 per foot.

Fire Chief A. Taylor wrote the Council that having inspected samples 2½ in. fire hose submitted for consideration and having read carefully the report of hose test held by the city chemist and fire chief of Calgary, respectfully recommended that the Dunlop Tire and Rubber Co.'s tender for Imperial S.W.J. be given consideration. He was of the opinion that this hose would meet the requirements of this city.

After representatives of the hose companies had addressed the Council, Ald. Lord and Galbraith moved that the tender of the Dunlop Co. be adopted.

Ald. Collison and Johns moved in amendment, that the question be laid over for the present.

The Mayor declared the amendment carried as Ald. Smith voted for it also.

Ald. Galbraith asked for the yeas and nays and contended the Mayor should vote also.

The Mayor was willing to vote, but in that case he would vote against the amendment and the purchase of hose would be defeated and there would be a deadlock as a tie vote is a negative vote.

Ald. Collison was indignant and said as the Mayor had declared the amendment carried it should stand.

The Mayor agreed with Ald. Collison and declared the amendment carried.

F. H. Anquetil tendered his resignation as Health Inspector, as he had joined the 187th Battalion. This was referred to the Board of Public Health.

R. J. Thompson applied for the position of Health Inspector, also referred to the Board of Health.

Alderman W. E. Lord brought in the following report:

To the Mayor and Council,
City of Red Deer.

As directed at the special meeting of the Council on the 15th, I waited upon the Board of Governors of Alberta Ladies' College of Red Deer on the 16th inst. and presented the City's proposition of a suitable site on the Hospital Hill.

Knowing the college has over $05,500 in unpaid subscriptions which will be forfeited in the event of their discontinuing operations in Red Deer and that they would probably wish to effect a loan on a building which they may erect, I exceeded the directions of the Council in suggesting to the Board of Governors that the city might be pleased to sell for a nominal sum, giving a clear title, for college purposes, a parcel of land bounded on the north and south by streets, and on the west by proposed street as shown on the map submitted.

In the evening I drove the non-resident members of the Board, with the President, the Lady Principal and Mrs. Keith, to the property and showed them its extent and desirability. The outside governors were very favorably impressed with the property and its location.

I was requested to have the city write the Alberta Ladies' College of Red Deer, setting forth their proposition accompanied by a map showing the location, that it may be submitted to the board at its next annual meeting to be held on Tuesday July 18th, when the proposition will have further consideration.

All of which is respectfully submitted. W. E. LORD

The by-law presented to change the names of certain streets and avenues was laid over to next meeting.

The Bank of Toronto, London, wrote the Council offering to advance certain sum of money to Mr. Hole to complete certain repairs to defective concrete walks provided the city assign the whole amount of Mr. Hole's claim, amounting to $4,280, be made over to the bank. Referred to Commissioners and Solicitor.

N. D. Keith, President of Alberta Ladies' College, wrote the Council asking that the City Council grant the customary rebate of taxes on the College property for the years 1915 and 1916. He informed the Council that the 17 feet required to couple the road south of the College had been dedicated to the city. No action was taken by the Council.

The Mayor reported that Ald. Botterill felt that owing to continued absence from the city and his arduous military duties, it would be impossible for him to remain on the Council. A suitable resolution will be presented at next meeting of Council.

Moved by Ald. Smith and Collison, that the resignation of Ald. Botterill be accepted, and that a by-law be prepared to fill the vacancy on the Council. Carried.

The meeting adjourned at 10.45.

Wilson Re-nominated With Enthusiasm By Democrats

ST. LOUIS, June 15.—In a setting intensely dramatic and spectacular, the Democratic national convention tonight formally nominated Woodrow Wilson and Thomas Riley Marshall, respectively, for President and Vice-President of the United States. No other names were offered.

At the mention of Wilson's name by John W. Westcott, of New Jersey who nominated him, cheering and general demonstration lasted more than half an hour.

While the convention was being thrilled earlier in the night by the eloquence of William Jennings Bryan, much as he has moved the emotions of Democratic conventions for 20 years, the committee on resolutions was putting the finishing touches on the party platform. It will be added tomorrow.

Before beginning its work of officially declaring Mr. Wilson and Mr. Marshall the party candidates, the crowded convention hall echoed and rocked with the tumult of a greeting to Mr. Bryan.

Senator James introduced Mr. Bryan as "one of the leading citizens of the world and America's greatest Democrat."

CANADIANS RETOOK LOST GROUND IN EASY STYLE.

LONDON, June 15.—Phillip Gibbs, writing in the Chronicle an account of the Canadian offensive at Zellebeke, says:

"It was a great point of pride with the Canadians to recapture their lost ground themselves. Their losses were not heavy in this counter attack, which was an astonishing piece of work.

The Canadian guns played their part in the attack.

"A great orchestra of heavy and field batteries played an annihilating 'devil's tattoo' upon the Germans, who had to endure the same experience as their guns gave the Canadians, upon the same ground.

"The attack was a complete success. The men were surprised for they had expected greater trouble. The enemy's shell fire was heavy, but the Canadians got through under over of our guns. The men advanced in open order and worked downwards and southwards into our old positions, which our continual bombardment had prevented the enemy from consolidating.

"The attack was directed from the southern end of Sanctuary Wood to Mount Sorrel.

"A correspondent of the 'Post says the night of second successful counter attack was wet, cold and disagreeable, but the men were in high spirits. The Germans were apparently taken by surprise and were completely overmatched. Two machine guns were captured during the action.

MEXICO GRABS PROPERTY

Kansas City, Mo., June 22.—The $50,000,000 property of the Cananea Consolidated company at Cananea, Sonora, an American concern, has been taken over by the de facto government of Mexico, according to a message from the city of Mexico, received by D. J. Haff, an attorney who represents the company. Mr. Haff announced that all the American employes had crossed the border.

NOTICE!

That portion of the following Township lying North of the North Saskatchewan River, has been surveyed and the same will be made open to homestead entry on and after the Seveteenth of July, 1916i at the Red Deer Dominion Lands Office and at each Sub-Agent for the District.

Please note that any quarter section in this Township containing more than twenty-five acres of merchantable timber is not available, and also School Sections 11 and 29.

GERMANS CAUSE OF TROUBLE IN MEXICO

President Wilson Said to be Fully Informed of German Efforts to Start Trouble

London, June 22.—It is reported here that President Wilson has received a vast amount of information showing the activities of Franz von Rintelen and other German agents in promoting trouble between the United States and Mexico.

The conspiracy began with von Rintelen and was carried on after he left for the United States to return to Germany in order that he might get more money to carry on his gigantic schemes. All these facts, showing the developments of the whole German conspiracy in Mexico, are said to be in the hands of the cabinet in Washington.

ADMITS HUGE PLOT

Rintelen, now interned in this country, and about to face proceedings for extradition to the United States, is reported to have admitted to the English authorities that he left a central organization in the United States to carry on his work. It also is said that payments made by him with the aim for fomenting trouble in Mexico, have been checked up and that the entire Mexican propaganda involved the payment of more than $50,000,000. Von Rintelen himself is said to have made payments through a transatlantic trust company in New York to banks along the Mexican border, including El Paso, Brownsville, San Antonio and other places with the aim of helping Mexican revolutionists.

FINANCED ALL FACTIONS

He is said to have also made deposits in a branch of the Deutsche bank in Cuba for the benefit of the revolutionists. He paid out $600,000 to purchase rifles and ships for the Mexicans. In fact, so broad was Rintelen's plot that he planned to influence every revolutionary faction in Mexico. He paid money to five factions within Mexican borders, and money to two groups in the United States, namely, the Huertistas and the followers of Felix Diaz, to get them to make more trouble in Mexico

Burnt Lake Entertainment

A unique and most enjoyable entertainment was held at Mr. Sveinson's n the interests of the Patriotic Fund, on Friday evening, June 16th. The feature of the evening was a cleverly acted play entitled "Bill, the Coachman."

Mr. and Mrs. Teasdale, Mr. and Mrs. Stewart, Mr. and Mrs. O'Neil, Mr. Grimson and Miss Sveinson, represented the characters of the play, each contributing essentially to make it a great success. The chair was occupied by E. Michener, M.P.P., president of the Patriotic Fund. The ice-president, Mr. R. B. Welliver was present and delivered an instructive and eloquent address.

Before the social dance commenced, ll partook of refreshments provided by the ladies.

In addition to the door receipts which amounted to $57.00 Mr. C. R. Braithwaite and E. McCune each contributed $5, making a total of 67.00.

The local expenses were defrayed by those who had the programme in hand leaving the total receipts for the Patriotic Fund. This is the second entertainment that Burnt Lake has given in addition to a generous ubscription. Well done, Burnt Lake.

District Court at Rocky Mountain House

The village of Rocky Mt. House ntered another stage of its career on Tuesday when a session of the District Court was held there for the first time. His Honor Judge Mahaffy presided and there were two cases to be heard.

In the first case John Dilts was harged with the theft of a purse and money to the value of $18.00, the property of H. Bouquet. Mr. Quigg, of Red Deer, who appeared to prosecute, asked for an adjournment, as a aterial witness was not present. Mr. Russell, of Red Deer, who defended, opposed any adjournment, as his client had been to considerable expense, and the absent witness was not likely to give any evidence in the case. Judge Mahaffy ordered an adjournment to the next court at Rky Mt. House.

The second case was a civil action in which the Confluence School District claimed from R. Gadsden the sum of $108.20, claimed to have been ithheld by him while their collector ir. Quigg defended Mr. Gadsden, hile Mr. Russell appeared for the plaintiffs. Mr. Gadsden was appointed tax collector by the Board in November, 1915, and dismissed about six weeks later in December. It appeared that on the list of unpaid taxes furnished to him on his appointment was an item of some $559 due from Mr. Bertrand for which the Board had previously made provision for payment. Mr. Gadsden claimed that the arrangement was come to after his appointment and artly through his instrumentality. After a protracted hearing, His Honor decided that Mr. Gadsden was not entitled to any commission on the Bertrand taxes, and, after taking all the collections into account, and deducting commission, found for the plaintiffs for the sum of $101.34.

Girls Who Kiss

The Mountain House girl bows her stately head,
And fixes her stylish lips
In a firm hard way and lets them go
In spasmodic little sips.

TheBeaver Flats girl says not a word
And you'd think she was rather tame
With her practiced views of the matter in hand
She gets there just the same.

The Leslieville girl the pride of the world,
In her clinging and soulful way
Absorbs it all in a yearnful yearn
(As big as a bale of hay).

The Alhambra girl removeth her specs,
And sets her face with a smile
And she puts out her lips with determined air
And cheweth her gum meanwhile.

The Condor girl gets a grip on herself,
As she carefully takes off her hat
Then she grabs up her prize in a frenzied way
(Like a terrier shaking a rat).

The Hespero girl so gentle and sweet sweet
Lets her lips meet the coming kill,
With a rapturous warmth and the youthful soul
Floats away on a sea of bliss.

The Sylvan Lake girl wears a thoughtful mien,
As she quietly surveys the land
She thinks it over an hour or two,
Then calmly extends her hand.

I have sung you a song of the girls who kiss,
And it sets one's brain in a whirl
But to teach the height of earthly bliss
You must kiss a Red Deer girl

With your arms round her waist, her face upturned.
In a sweet and confiding way.
You care not a cent for the whole wide world
Though the wind through your moustache plays.

And closer together your lips you draw
Till they meet in rapturous glow.
And the small boy hidden under the fence
Cries "Gallagher, let her go."

FIRE RANGER.

Recruits Wanted for the Canadian Engineers

Captain F. H. Peters, O.C. 4th Field Troop C.E. has further orders to recruit 125 men for the Canadian Divisional Engineers. The class of men required are artisans and horse drivers. This includes all classes of artisans such as carpenters, masons, plumbers, blacksmiths, wheelwrights, electricians, construction men and iron workers, and the teamsters. A limited number of cooks, tailors, saddlers, clerks, etc., are also required.

Already over 900 men have gone from the district and have done grand work at the front. All men are sent direct to the central training depot at Ottawa where they are trained befre going overseas.

The work of recruiting in the north part of the Province is being carried out by Lieutenant W. R. Smith, C.E., Room 102, C. P. R. building, Edmonton. The recruiting office in Calgary is at the Engineers' Headquarters, 215a—8th Avenue East, and men wishing to enlist should report as soon as possible to whichever recruiting office they are nearest.

All intending recruits should make a particular note to get a receipt for their railway fare into the recruiting office, as, if they are found medically fit, and are accepted, their fare will be returned to them.

It is desired to get these men away as quickly as possible, but any men who have business affairs to settle up will, after having been attested, be given a reasonable length of time in which to do this.

Anglican Synod Over; Important Resolutions

Winnipeg, June 23.—The Anglican synod concluded its labors yesterday afternoon, after having spent the major part of the day transacting much important business. Resolutions of significance were unanimously passed, one condemning bilingualism in the schools of Manitoba, another deprecating the inadequacy of Anglican chaplains at Camp Hughes, and a third expressing to the federal government the readiness of the Anglican church to support the government in the defence of the empire.

Grow More Hogs

As Is Well-known, Hogs Have Reached An Unprecedentedly High Level

Without doubt, Canada stands in a better position to-day to develop a permanent bacon trade with Great Britain than has ever been the case before. To do this, however, there must be volume of supply. There is very good reason to believe that, although prices cannot be expected to remain at the present high level, the demand for bacon, in the face of the supply that can be obtained, will be such as to hold the market in a very firm condition, even during and for a considerable period following the war.

Great Britain's imports of bacon in 1915 amounted to $25,441,160. From Canada she obtained only $3,324,511. The fact that Canadian bacon has been selling at an advance of from 10 to 12s per cwt. above American and at not more than 12s. under the nominal quotation for Danish, illustrates very clearly to what extent Canada could increase her export trade, had she a sufficient quantity of hogs to make this possible. The English merchant and the British consumer will buy Canadian bacon to-day, quality being equal, in preference to that from any other country in the world, with the possible exception of Ireland. Not only so but an enormous market exists also for hams, frozen pork and pork cuts of various descriptions. This market is as remunerative as the bacon trade, although it is not likely to prove as constant. The West is producing a great quantity of rough grain this year. As compared with wheat, it will be relatively low in price. It should, therefore, be a sound business proposition to breed as many sows this spring as would provide each farm next fall, with such a number of feeding hogs as can be conveniently handled and suitably finished. They should, however, be so selected and mated as to maintain the approved bacon type. Unless this be done, we cannot compete with Ireland and Denmark and will lose status on the British market. The development of our bacon trade is a purely commercial undertaking and we must early recognize that we cannot sell to the British merchant unless we give him what he rants. This granted, thrifty management and good feeding should yield a return this year which will more than compensate for all the labor involved.

New Pensions Very Liberal

Total Disability to Rank and File Will Mean $480 Yearly

Ottawa, June 23.— The new scale of soldiers' pensions, which went in force this week and is made retroactive to the start of the war, considerably increases the allowance made heretofore. The government will shortly appoint a pensions board, but meanwhile the old board will administer the act on the new basis.

For total disability the new yearly rates are as follows: Rank and file, $480; squad, battery or company sergt.-major, squad, battery or company quartermaster-sergeant, colorsergeant or staff sergeant, $510; regimental sergeant-major, not W.O., master gunner not W.O., regimental quartermaster-sergeant, $620; warrant officer, $680; Lieutenant, $720; captain, $1,000; major, $1,260; Lieutenant-colonel, $1,500; colonel, $1,890; brigadier-general, $2,700.

SIX CLASSES

The pensions are divided into six classes, beginning with total disability, 100 per cent., such as the loss of both eyes, hand, fingers, legs or thumbs or permanent heart disease.

In class two, embracing the loss of one hand and one foot or both feet, the pensioner gets 80 per cent. of the allowance for total disability.

Class three, the loss of one hand, leg above the knee, tongue or nose, 60 per cent of class one.

Class four, loss of one eye or foot, total deafness, loss of two thumbs, 30 per cent. of class one.

Class five, loss of one thumb, anchylosis of elbow, knee, shoulder, wrist or ankle, 20 per cent, of class one.

Class six, disability under 20 per cent, such as deafness in one ear, loss of index finger, etc., a gratuity not exceeding $100.

GRATUITIES

A gratuity of $250 a year apart from the pension is allowed to those up to the rank of lieutenant totally disabled.

In addition to a personal pension, an officer in the first, second or third class is entitled to an allowance as follows: Lieutenant, $6 a month for each child; captain, $7 a month per child; major, $8 a month per child; and ranks above major, $10.

A Warning

A warning is being sent out from the Irrigation Branch of the Department of the Interior at Calgary to persons who are operating on, or have property along the large rivers in Alberta, investigations show that there is more snow in the mountains this year than under ordinary conditions, and this fact combined with the very late spring creates a condition favorable for heavy floods. This is not a prediction that there will surely be a flood, but rather a warning that there may be one. Persons carrying on any construction work, operating ferries, driving logs, etc., will be well advised to make every provision possible against the eventuality of a big flood."

A Better Telephone Service for the West

To the Editor of the News:

Dear Sir:—I understand the Western General Electric Company have reduced their rates to Evarts and Sylvan Lake. If this is the case it is the first fruits of the action of this year's Council in appealing to the Utilities Commission to have the rates reduced. For years Red Deer has been suffering under these unjust charges for service and no special effort has been made to have them reduced by the Board of Trade or the Council. I believe the Government should be strongly urged to instal a thorough service of telephones through the whole western country, extending to Rocky Mountain House. This is about the only thickly settled country in Alberta without telephone service and the Government could not do better than inaugurate such a service at the very earliest moment.

I remain,
Yours sincerely,
"LONG SUFFERER,"

Prizes for Eggs at Red Deer Fair

FOR PRODUCERS ONLY

One dozen, Specials	$1	75c	50c
One dozen, Extras	$1	75c	50c
One dozen, No. 1's	$1	75c	50c
Six dozen, Specials	$2	$1.50	$1
Six dozen, Extras	$2	$1.50	$1
Six dozen, No. 1's	$2	$1.50	$1

Exhibits will be judged by judges from the egg branch, Dominion Live Stock department, who will have a special exhibit of egg-producing equipment and literature, but who will not compete.

An exhibitor may make only one entry in each class. Entry fee, 10 per cent of first prize in class.

GRADES AND DEFINITIONS OF FRESH GATHERED EGGS

Grades

Specials, Extras, No. 1's,

Definition of Grades

SPECIALS—Eggs of uniform size weighing over 24 ozs to the dozen or over 45 lbs. net to th 30 dozen case; absolutely clean, strong and sound in shell; ai cell small, not over 3-16 of an inch in depth; white of egg to be firm and clear and yolk dimly visible; free from blood clots.

EXTRAS.—Eggs of good size, weighing at least 24 ozs. to the dozen or 45 lbs. net to the 30 dozen case; clean; sound in shell; air cells less than ¼ inch in depth; white of egg to be firm and yolk slightly visible.

NO. 1's.—Eggs weighing at least 23 ozs. to the dozen or 43 lbs. net to the 30 doz. case; clean; sound in shell; air cell less than ¼ inch in depth; white of egg to be reasonably firm; yolk may be quite visible but mobile, not stuck to the shell or seriously out of place; air cell not necessarily stationary.

IF YOU KNEW

If you knew that there was to be a terrific hailstorm right in your very section—what would you do? What COULD you do?

You can't cover your crops—neither can you shield them from the "cobblestones of the sky."

SO---

Even if you knew there was to be a hailstorm, a ruinous, raging storm, one that was bound to destroy your entire source of income, you couldn't do a thing to prevent it. No power on earth could save your property and you know it. Consequently, what's to be done? You can't afford to run your business on a "my-crops-may-be-ruined-any-day" basis, can you? You don't want to feel that the harvest of months of hard work may be swept away in a few moments, do you? Of course not.

You may argue that the storm MAY not come. Quite true, it may not, for a day, or a week, or two. But when it does, then what?

There's Only One Safe Answer

Insure Your Crops

If you can't prevent hailstorms, you can protect yourself against loss caused by them. And the best protection you can possibly secure is an insurance policy in one of the companies represented by the J. Malcolm Co. Ltd.

Let the Co. assume all the risk. They can afford it. You cannot. The Companies have millions of dollars of assets. You haven't. We will cheerfully guarantee you against all loss by hailstorm, and do it for a comparatively small amount per year.

Now that you know how to protect yourself against loss by hailstorms, what are you going to do? Are you going to put it off. Are you going to wait and wait for the BIG STORM that will completely ruin you? Are you going to undergo the suffering and worry that comes with such a big catastrophe?

Save yourself all this. Insure your crops. Protect your business and family.

We'll gladly tell you how in detail, for that's our business, has been for years and we're proud of the record of our companies for paying losses.

Call when in town and get our terms, etc., and drop us a card and our representative will call on you. We are at your service.

REMEMBER: Foresight is the mother of wisdom. Don't delay.

The J. Malcolm Co. Ltd.

Michener Block - Red Deer

Hun Press Sneers at Canadian 'Farmers' Opposing Trained Men; Fails To Mention Recent Fight

"Barbarians From Overseas" Latest Term of Endearment

London, June 22.—Canadians and Canada got full attention in the German press from June 5th to 15th. The most important Berlin journal around the former date gave an idea that the temporary capture of our trenches was the worst blow, to translate one particular phrase, "that any of these barbarians from overseas, colored or otherwise, had ever sustained." Other accounts go on to say that the Canadians fought fiendishly and refused in the arrogant colonial fashion to admit they were beaten when "our brave Wurtemburgers swept their trenches. It is hoped now they they have gained a lesson that these farmers are no match for trained troops of the fatherland."

Other papers suggest that because of mere pigheadedness the Canadians would attempt to retake ground lost but the latest of all reports in one which says that although the dominion soldiers have regained a certain portion of the old trenches, they never will be able to hold them. This was published on the fifteenth. Papers to hand of the seventeenth seem to have missed mention of the Canadians altogether, Artillery duels and stiff fighting still continue on the Canadian front. They are doing fine work giving the Huns no rest. Bombing raids every night have been particularly successful. Pioneer battalions have worked heroically night and day strengthening positions wherever won.

Our former Hooge trenches are now no man's land, and although the Germans have made several attempts to hold them the Canadian artillery has always driven them out.

News reaches me from Amsterdam that very few German troops have been removed from the section round Ypres to reinforce the eastern Russian front where things are beginning to move. The larger towns behind German lines such as Roulers have been crowded with reinforcements and stores, Canadians have now with them one of the finest British divisions with whom they have fought alongside many times.

See the wonderfully trained Elephants at the Red Deer Fair—a free attraction.

Avoid waste of Fuel

Unless you *KNOW* positively that a cheaper furnace will heat your home without waste of fuel, there is small satisfaction in saving a few dollars on its purchase. The Sunshine Furnace saves coal because it is well made and because every part has been carefully thought out.

Straight Walls Firepot of "Sunshine"

Look It Over.—**Any one can see that the greatest heating factor in a furnace is the fire-pot; that a pot with straight walls, like the Sunshine fire-pot, will give off more heat than one that must often have an outer lining of ashes.**

Doors and dampers that are tightly fitted will certainly hold the fire longer than those that are loosely fitted. The *WIDER* air passages and *LARGER* radiating surfaces of the Sunshine must heat the air much more readily. These Sunshine Furnace features are coal-savers that mean much in mid-winter.

Slanting Walls Firepot gathers ashes and decreases radiating surface

McClary's Sunshine Furnace

Saving coal interests you, of course. Then you will want a copy of our booklet on the Sunshine Furnace. Send for yours to-day.

Delburne

une 20, 1916

Mr. W. S. Clendening of Delburne is spending a couple of weeks at Calgary and Banff.

Mrs. T. C. Mewburn, of Delburne, and little daughter Shirley who have been spending the last month in Calgary with Lieutenant T. C. Mewburn returned to town on Thursday last.

Miss Godber who has been teaching at Gaetz Valley for the last couple of years leaves shortly to spend the summer at the Coast.

Miss Cunningham of Ottawa, who has been in charge of Delburne school since Christmas leaves this week for Vancouver, B.C.

Miss Mcsherry of Ontario, who has had charge of the Long Lake school for the past year leaves on Saturday for Toronto.

Mr. T. Q. Moore is expected in Delburne to-day from Nevis where he has been on business for a short time.

Mr. and Mrs. Jas. Jamieson left last week for points in Ontario to spend the summer.

In regard to Mr. H. W. Luckhardt selling out his furniture business (as was mentioned in last week's issue). Mr. Luckhardt does not intend disposing of his business in Delburne and still asks the patronage of the people.

The annual picnic of the Glenwood U.F.A. will be held on July first at Delburne Lake. There will be a booth on the grounds and sports of all kinds including a baseball and football match.

The picnic held on Saturday last under the auspices of the Gaetz Valley Sunday school and Public school at the farm of Mr. and Mrs. S. Ratcliffe was well attended by outside schools as well as their own. There were sports during the afternoon including a football match.

Mr. Tracey assistant school inspector, from Stettler, is in Delburne this week. He is the presiding examiner at the following exams. which are being held in the Delburne school

Grade X—Nevis E. Lowry; Ardley, M. L. Wilkinson; Delburne, F. M. Millen, W. J. Millen, E. H. Sears, V. F. Sears.

Grade IX—Ardley, A. Eggenberger.

Grade VIII—Mound Lake, E. M. Brittain, H. H. Simpson; Great Bend, H. K. Allison, F. Wilkinson; Gaetz Valley, B. K. Dixon; Wood Lake, T. Paton, L. Taylor; Delburne, E. Cook.

ZAM-BUK

is the best remedy known for sunburn, heat rashes, eczema, sore feet, stings and blisters. A skin food!

All Druggists and Stores.—50c.

Letters from the Front

Mrs. T. M. Wright received the following letter from her son Frank last week:—

France, May 24, 1916

My dear Mother:—I have had three letters from you lately and as we are out of the trenches, and have a little more time, I will answer them now. First one dated April 16, 24 and May 2nd. I received your last two parcels in the trenches a few days ago. We had a fairly good trip this time, not losing many men. MacDonald had an accident with a bomb and got his hand blown off, which is very unfortunate. I was in a bombing post with Percy Smith and Clare only a few yards from the Germans, and we had a bombing attack nearly every night, but I think we gave them the worst of it every time, anyhow we threw more bombs, theirs would either go over us, or a little short, none landing in our trench. They used all kinds of things on us, but with little effect and we were not a bit scared of them. They seem to make a big bluff in using everything that is frightful, but it does not work any more. When we are out for this so-called "rest" we go up to the front line on working parties at night and get back about 3 a.m., we get a ride in those London buses part of the way. The other day we dug up a German shell that did not go off, it was quite a nice looking thing, new, and just came from Fritz it weighed about 88 lbs, but this is only a small one compared with some. They shoot all kinds of things at us, rifle grenades, aerial torpedoes trench mortars, nail kegs, coal boxes, whiz bangs, and all such things as these, which all have a sound of their own. It seems strange that you were writing a letter on Easter Sunday and say you hoped I will not expose myself any more than I can help and it was that day that I got hit, It has all healed up now but think it will leave a mark. Ivan Greene was slightly wounded in the leg and has now taken a batman's job for the paymaster, I think it is a good thing for him as he was beginning to look pretty poor. Poor Bill Black from Innisfail is dead, he got wounded in the stomach. Rube Gee was accidentally wounded by his own men at the rifle range, I think he and another fellow were hit by some mutt. Some of the boys saw Dr. Washburn and Joe Smith yesterday. The other day a German shell landed near us and blew up a lot of bodies and we had to put up with the smell, for about 24 hours, and it was awful. The place where we were has been fought over many times and dead men are always being dug or blown up.

Well, I must close now with best wishes to you both.

Your loving son,
FRANK.

Mr. R. L. Lowe of the post office staff has received the following letter from his son, who was with the 49th in the desperate fighting of June 1 and 2 near Hooge:—

June, 5, 1916

Dear Dad:—Have just come out of the trenches and do not know if my last letter got away or not, so thought I would write you at once. We have had an awful time as you will see by the papers. For myself, I managed to pull through without a scratch, thank God. Have not received parcel yet, but it might be here all the same, however, will let you know when I get it. Yes, dad, it is a wonder what a man can live through. Just got a letter from young Jack. He is well and going to try and look me up: hope he finds me. Well, Dad, will close now. Will write a longer letter later. Hope you are all well. Love to you all from

Your affectionate son,
B. R. LOWE.

(The parents are naturally greatly relieved at the safety of the lad.)

I.O.D.E. Report

ALICE SIMPSON, Sec.-Treas.

Belgian Relief Fund

The following subscriptions have been received by Mr. F. C. Whitehouse, Hon. Sec.-Treas., of the Belgian Relief Fund, since our last notification:

June 12—Miss H. L. Bowker $5.00
June 15—Mrs. L. J. Porter 3.00

Everybody who is anybody will be at the fair.

Fatal Accident

Sophie Kask, a four year old daughter of Mr. and Mrs. Alex Kask, Sylvan Lake, died at the Memorial Hospital on Thursday from the effects of being severely burnt by her clothes catching fire. On Wednesday afternoon the little girl was playing in the house with her doll, and was apparently trying to cook something on the stove for the doll, when her clothes caught fire from the open damper. The father and mother were outside, and when the little one came rushing out, the father grabbed her and plunged into the creek close by. The extent of her burns, however was so serious that the shock was too much for her. The funeral takes place from Stone's undertaking parlors this afternoon to Red Deer cemetery. Mr. and Mrs. Kask will have the deep sympathy of friends and neighbors in their sudden and sore bereavement.

FAMILY DOCTOR'S GOOD ADVICE

To Go On Taking "Fruit-a-tives" Because They Did Her Good

ROCHON, P. Q., JAN. 14th, 1915.

"I suffered for many years with terrible Indigestion and Constipation. I had frequent dizzy spells and became greatly run down. A neighbor advised me to try "Fruit-a-tives". I did so and to the surprise of my doctor, I began to improve, and he advised me to go on with "Fruit-a-tives".

I consider that I owe my life to "Fruit-a-tives" and I want to say to those who suffer from Indigestion, Constipation or Headaches—'try Fruit-a-tives' and you will get well". CORINE GAUDREAU.

50c. a box, 6 for $2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

FARMERS!

Money to Lend **Farms For Sale**

A. CLUTTERBUCK

COAL, WOOD and CARTAGE

Sole Agent for

Galt Coal, Briquettes, Hard and Best Steam Coal

Copy of a Letter Received a Few Days Ago

Mr. A. Clutterbuck, Red Deer, Alberta.

Dear Sir:—If there are any hard coal users in Red Deer who can afford to lay in their coal during the summer, I would strongly advise you to keep after them until they place their order. Our mines have only enough men now to work half time, and we do not expect the situation to improve any between now and the winter. If we have any cold weather at all next winter, coal is going to be very scarce, and any of your customers who can afford it should protect themselves during the next two or three months.

Yours truly,

B. F. COON,

Sup't Coal Agencies, Canadian Pacific Railway, Department of Natural Resources.

MORAL: Secure your hard coal now while the buying is easy.

Miss Gudmundson is in Calgary for a few days.

Mrs. P. Gordon is visiting friends in Coronation.

Be sure to see the great military drill at the Fair.

Remember the Garden Party Thurs day night. Admission free.

The Garden Party to-morrow night should be the event of the season.

Kill two birds with one stone, by taking in the Fair and Lord's Sale next week.

Gordon Lane is visiting Montreal.

Geo. W. Smith was in Edmonton Wednesday last.

Mrs. H. S. Pearson left for Portland, Oregon, last week, where she will visit friends.

Attend the Garden party on E. Michener's grounds to-morrow evening and help along the Battalion band.

A good stock of flags at John McVicar's for Dominion Day. Tennis balls, hammocks, mitts, gloves and baseballs.

The regular monthly meeting of the Ladies' Aid Society of the Presbyterian church will be held in the church hall on Friday, June 30, at 3 p.m.

Millinery department. We have just received another very attractive collection in Mid-summer Sport and Street Hats. Also hats for Misses and children. McLean's

Miss Asson, a returned missionary from China will address a meeting in the Methodist church on Sunday, July 2, at 3.30 p.m. Missionary societies of other churches specially invited.

Principal C. W. Locke, of the High School staff has received an invitation to enlist in the Yale Batteries of field Artillery in the United States. This looks as though they mean business across the line.

The Ladies' Aid Society of Knox Presbyterian Church will hold their annual mid-summer sale of children's clothing, fancy and useful articles, in the church hall on Friday, June 30 from 4 to 6 p.m. The ladies will also serve a ten cent tea.

The Women's Institute have decided to close the tea room during July and August. Any one who has not taken out their work can obtain it at any time from the Secretary, or it will be taken care of until the exhange opens again in September.

Remember the meeting for prayer and Bible study to-night in the Baptist Church. Some interesting questions will be discussed. The members of the church are specially urged to be present and attend the monthly business meeting. The Pastor would like to see a large attendance.

"I've Got the Craze," is the name of a new song just published, the words and music are by Samuel D. Watt, of the 187th Overseas Battalion, C.E.F. Band with headquarters at Red Deer. Any person desirous of securing this song can get it at H. Webb's music store. Mr. Watt is from Olds, and was a member of the Choral Society of that town.

First Baptist Church Rev. L. E. Brough, Pastor. Parsonage 39—5th St. N.E. Services Sunday conducted by the Pastor. Subject in the morning "The Altar of Worship"; also the usual five minutes talk to the boys and girls. Subject, "Building Castles in the Air." In the evening the Pastor will preach a funeral sermon commemorating the decease of the Liquor Traffic in Alberta; subject will be "The Doom of the Liquor Traffic." Sunday school 2.30 p.m. Everybody welcome.

Mrs. Capt. McCune, fell and broke her arm near the wrist on Sunday last while going over to see Mrs. Silverberg with her daughter Mrs. L. Kennedy. As Mrs. McCune is 76 years of age the shock was severe, and she will be laid up for some time. Her greatest sorrow is that she will not be able to knit any more socks for the soldiers for some time. Up to this time she has completed 46 pairs for the boys at the front and many a soldier has been made happy by her untiring efforts. We hope she will soon be able to knit again as the Empire cannot do without her just yet.

Vice-President Bury and General Superintendent Hall passed through the city yesterday morning about 6.30 o'clock going south. To prove to those gentlemen that this is a great dairying, mixed farming and stock country, about thirty head of stock got on the track south of the city, and held up the train for some time. They (the cattle of course), just stood and laughed at the engineer and fireman in their frantic efforts to get them to understand who they had on board. At last, after they had used all the adjectives in their vocabulary from A to Z, the fireman got off the engine and drove them off with a lump of coal.

The Parlor concert held last Friday evening at the home of Mr. and Mrs. E. Greig was a conspicuous success. Rev. L. E. Brough acted as chairman. A splendid programme was enjoyed by all present. Among the items of interest on the programme were the selections in song by Mrs. D. Locke, Miss Yeats, Mr. Martin and Mr. Johns; also the piano recitals by Miss Francis Greig and Mme. Le Saunier, and last, but not least, the readings by Miss Ebert and Miss L. Stock were in very good taste. Refreshments were provided by the ladies, and the happy occasion was concluded by the singing of the National Anthem.

The following list will give you an idea of the advance in prices on all materials used in the manufacture of furniture:—Lumber 10 to 25 p.c., veneers 25 to 50 p.c., Mirrors 100 p.c stains 300 to 400 p.c., enamels 25 p.c oils 25 p.c., shellac 100 p.c., varnish 25 p.c., hardware 50 to 100 p.c., brass trimmings 25 p.c., packing paper 100 p.c., burlap 100 p.c., twine 50 p.c. catalog's, photos, etc., 25 p.c

Underwood typewriters, J. E. Welton

Miss Bowker of the Ladies' College, left a few days ago for Granby, Quebec.

Lt. Col. Robinson has been asked to officially open the Red Deer Fair, on Thursday, July 6.

The regular meeting of the W.C.T.U. will be held at the home of Mrs. Graves, Parkvale, Friday at 3.30

Fishing tackle including single hook on double guts, No. 3, and silk gimp at 10c per yard at John McVicar's

Dr. Sanders returned from his trip East on Friday last. Mrs. Sanders will remain with friends in Ottawa for some time.

Mr. and Mrs. R. B. Welliver and Mr. and Mrs. T. A. Gaetz motored to Acme a few days ago and had a very pleasant trip.

Hugh Clarke is building a fine barn for James Gammow, Springvale. and C. T. Eline is building several large barns for farmers in the Willowdale district.

While at the Fair, get your lunch at the booth of the Women's Institute. The sandwiches, pies and cake are just like mother used to make. Proceeds in aid of Patriotic Fund.

If you have any idea of buying a piece of furniture, crockeryware, or floor coverings within the next two years it will pay you to take advantage of the Big Unreserved Sale now going on at Best's Furniture Store., 51 First Street South

A meeting in the Armory on Wednesday evening at 8 p.m. to complete the formation of a Red Deer Company of Reserve Militia. Every man in Red Deer should be there. Col. Robinson has promised to be present, and address the meeting.

The Great West Lumber Company expect some of their drives of logs to be down the river shortly when they will start up in full blast again. The stock of logs on hand were used up some time ago and the mill in the meanwhile has been overhauled and repaired ready for a busk summer's work.

AN ATTRACTIVE SALE

The big unreserved sale now going on at the store of the Best Furniture Co., 51 First St. South, is creating more than passing interest.

Owing to prevailing conditions, and in order to raise a certain large sum of money to meet the pressing demands of creditors, this firm has decided to offer their entire stock of high grade home furnishings to the public at absolutely cost price, and some articles have even been marked at less, in order to make a quick turnover, and raise the necessary cash.

Owing to the fact that some lines of home furnishings have taken an advance of from 25 p.c. to 100p.c. this year, this big sacrifice sale offers an unusual opportunity to those who would like to buy some article for the home and feel that they cannot afford to pay the usual prices.

Never again for some years to come will you have such another opportunity, to get this class of goods at such a low price.

Penhold

The Penhold Branch of the Red Cross Society acknowledges with thanks the donation of $52.10 from the Ridgewood district and the ladies of that district are now helping the Penhold branch with their sewing. Last week the Penhold branch were able to make another shipment to Calgary of the following articles:

24 day shirts.
12 suits pyjamas
22 pairs knitted socks
8 knitted wash cloths.

A picnic in aid of the Red Cross Society will be held (if fine) at Penhold on Saturday next, July 1st, commencing at 1 o'clock. There will be baseball and basket ball games, also races for the children and other amusements. There will be no admission to the grounds, and refreshments will be served during the afternoon by the Penhold Red Cross Society. Everybody come and have a good time and help along this most worthy cause.

There will be no sewing meeting this week on account of preparing for the picnic.

The ladies of Penhold Red Cross Branch are serving ice cream, cake and lemonade, each Saturday afternoon in the old Methodist church during the summer. So far this has been well patronized by the public and trust that it will continue so for the rest of the season.

Service will be held in St. George's church Sunday next, July 2nd, by the Rev. Mr. Tait.

The big sale at Best's will continue until Saturday, July 8th, in order to give those who attend the Fair an opportunity to get in on some of the big bargains in furniture and other home furnishings.

Miss K. Ramsey has very kindly consented to sing a solo at the union service to be held in the Methodist church next Sunday evening. The choir will discontinue regular practices until the 1st of September, but an effort will be made to have special music at each service in the form of solos, duets, etc.

MacGregor---Lowe

On Friday, June 16th, at St. Luke's church, by the Rev. G. N. inn, M.A., the marriage took place of Gladys Elizabeth, youngest daughter of Mr. and Mrs. L. L. Lowe, Red Deer, and Duncan Alexander MacGregor, of Rutland, B.C. The happy couple left on the noon train for Calary. Mr. and Mrs. MacGregor will reside for the present in Red Deer. oth of the young people are very well and favorably known in Red Deer, and many friends will wish hem all happiness in their new life.

New Councillor for North Red Deer

At the meeting of the electors of the Village of North Red Deer held in the Municipal Office on Monday evening last for the purpose of nominating candidates for the office of councillor to fill the vacancy caused by the resignation of Reeve Durand, Messrs. James A. Dingwall and Wm. Rich were nominated. Mr. Dingwall was nominated by Messrs. A. Durand and Wm. Snell while Wm. Rich was nominated by Messrs. Wm. Mohring and S. Jaspar. On Tuesday morning Mr. Dingwall withdrew his candidature and this will mean the election of Mr. Rich to his seat on the Council again, unless he, too, withdraw. But this is not expected. Mr. Rich was on the Council during the year 1913 and proved that he realizes fully the responsibility of the office and that he thinks for himself. The council will elect a Reeve at the regular meeting to be held next Monday evening.
